

Fibafuse Paperless Drywall Tapes

FibaFuse MAX

Innovative paperless drywall tape with crack resistance and tearing prevention.

Product Overview

FibaFuse® MAX is an innovative, paperless drywall tape designed for professional renovators and remodelers. The open-fiber design allows compound to flow through the tape for a stronger bond, eliminating bubbles and blisters. The blue reinforcement layer features a tri-directional construction that provides crack resistance in multiple directions and prevents accidental tearing of the tape on inside corners.

Benefits

- Blue reinforcement layer provides maximum crack resistance
- Paperless design is naturally mold & mildew resistant
- Thin profile is easy to conceal for a smooth, professional finish
- GREENGUARD [GOLD] Certified
- Compatible with automatic taping tools
