

FibaTape® Extra Strength

Multi-directional Reinforced Drywall Tape

60% stronger than
standard mesh tape

Added protection for high traffic areas

FibaTape® Extra Strength drywall tape features a wider width mesh and patented, multi-directional design for increased strength and structural integrity.

- **Increased strength** - 60% stronger than standard mesh
- **Patented multi-directional pattern** - Additional fiberglass and extra adhesive help offset lateral movement in a crack, increasing joint strength and structural integrity
- **Wider width** - Provides increased gap coverage and stress distribution
- **High performance adhesive** - Maximum hold for easy application. Works well in fluctuating temperatures.
- **Patch and repair** - Works great for patch and repairs
- **Self-adhesive** - Easy application
- **Reduced dry time** - Embedding coat is not required
- **Smooth finish** - Eliminates blisters and bubbles commonly found with paper tape

Patent # 8,795,808
