Everything you need to complete the job

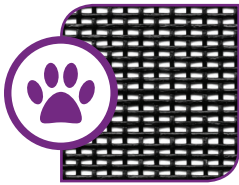

## Clear Advantage™ Screen Replacement Kit: Best visibility - Allows more natural light

Clear Advantage is a fiberglass screen designed to provide better visibility without compromising durability. Manufactured with a tighter weave and finer yarn, Clear Advantage allows visibility through windows and doors to remain sharp and brilliant. This screen allows up to 50% more natural light in and dramatically improves airflow compared to standard screening.

### Kit includes:

- 36" x 84" roll of Clear Advantage Screen
- 25' of .140" spline
- Spline installation tool

## Pet Resistant Screen Replacement Kit: Resists tears and damage caused by pets

Pet Resistant Screen is an ultra-strong screening that resists tears and damage caused by cats and dogs. Pet Resistant Screen is much heavier than traditional screening and can be used in any door or window. This product prevents damage from household pets yet still allows for excellent outward visibility. Our Pet Resistant Screen coating makes it the only flame resistant pet screen in the market by passing the ASTM requirements D3656 and D6413, as well as ISO11925-2.

### Kit includes:

- 36" x 84" roll of Pet Resistant Screen
- 25' of .125" spline
- Spline installation tool
