

P4: Pool & Patio Premium Polyester

Long lasting durability

Introducing P4: Pool & Patio Premium Polyester - Premier pool & patio screen

Choose P4 for the strongest, most durable pool cage screen

P4 (Pool & Patio Premium Polyester) is the newest ADFORS offering in the high performance pool and patio enclosure fabric product line. P4 screen maintains its color, visual appearance, and structural integrity much longer than traditional fiberglass products. While P4 is produced with a denser construction than traditional 18x14 fiberglass screen, it still allows considerable light transmittance and air flow. Compared to other polyester products on the market, P4 has a slightly thinner profile, offering a better handling and installation experience.

Features and benefits of P4: Pool & Patio Premium Polyester:

- Significantly stronger than traditional 18 x 14 fiberglass screen
- Heavy duty polyester construction provides the ultimate in durability & longevity
- Overall thinner profile for optimized feel and installation
- Ortho-phthalate free, environmentally friendly coating

ADFORS is proud to back P4 with a 10-year warranty free of manufacturing defects.

P4: Pool & Patio Premium Poly FAQ

Why should I choose P4 Screen?

P4: Pool & Patio Premium Polyester Screen, the premier pool and patio cage screen, is a long-lasting product that can withstand debris, animals, children, and the harmful effects of the sun and elements, ensuring a long lasting screen enclosure.

How is P4 different from other polyester products?

P4 has a slightly thinner profile, offering a better handling and installation experience. Third party lab testing concluded P4 has the highest burst point than any other product on the market.

What makes ADFORS screen safer?

Pool & Patio Premium Polyester (P4) is ortho-phthalate free and does not contain any substances covered under California Prop 65.
