

FibaTape® Cement Board

Alkali-Resistant Cement Board Tape

Designed specifically
for use with cement
board

MADE IN THE
USA 

Ideal for areas prone to moisture

Patent # 7,354,876

FibaTape® Cement Board tape is a patented, alkali-resistant, fiberglass mesh tape designed specifically for cement board finishing. The self-adhesive tape is made from the same vinyl-coated fabric embedded in many cement boards.

- **Alkali-resistant coating** - Enhanced long-term performance in cement board applications. Meets cement board manufacturers recommendations.
- **Resistant** to mold and mildew
- **Perfect compatibility** - Works with dry and thin set mortars
- **Self-adhesive** - Easy application
