

ONYX™ SMALL INSECT SCREEN

Best protection from the
smallest insects

We have given our high-performance Small Insect screen a major upgrade. Now engineered to conquer harsh UV rays, it keeps its strength and good looks season after season.

ONYX SMALL INSECT SCREEN

Reclaim your outdoor living area from the smallest pests. Utilizing a micro weave mesh, this fiberglass screen establishes an impenetrable defensive barrier against tiny biting insects. It allows your family to relax in absolute comfort while maintaining excellent ventilation throughout the entire enclosure.

SPECIFICALLY ENGINEERED TO STOP THE TINIEST BUGS

This specialized micro-weave mesh is tightly spaced to trap and block even the smallest, most frustrating insects before they can invade your enclosure, allowing your family to relax without the constant annoyance of bug bites.

ULTIMATE PROTECTION FOR MARSHY, COASTAL, & DENSE WOODED YARDS

This screen is built specifically for these challenging environments, establishing a durable perimeter defense that lets you enjoy your pool or patio in complete comfort, even during the peak of insect season.

CONSTRUCTION	COLOR	100 FT ROLL WIDTHS
20 x 20	Black	36", 48", 60", 72", 84", 96", 108"

Designed for your family's well-being

GREENGUARD Gold Certified

Your family's health is just as important as your view. It's the highest global standard for low-emission products, making your patio a truly healthy place to relax.

Why Ortho-phthalate Free Screen Matters

- » Cleaner air quality
- » Family & pet friendly
- » Protect your local ecosystem by choosing screens that won't leach harmful chemicals into the ground or water

The ONYX Pool & Patio line is designed for cross-functional performance, allowing you to mix & match mesh styles.
